**Subject:** Thanks for discussion last week regarding Arcelor Mittal West

Based on our discussion last week, it sounds like following up on this case is a better fit for you all to take the lead under 311/OPA. Thank you for calling the meeting on the 8<sup>th</sup> to discuss and coordinate. We will be sending out our inspection report – as we routinely do, but will not be requesting a particular response or doing additional work on this since you all will be following up under 311.

Thanks
